10.03.2022

To whom it may concern,

With this letter, we confirm that Dr. Sonja Žakula, Research Associate at Institute of Ethnography, Serbian Academy of Sciences and Arts, Serbia, was invited to participate in the M.Sc. course “Human Evolution” at the Department of Biology, Chemistry and Pharmacy, Freie Universität Berlin, Germany, with the talk “Epistemology of Canid Behavior and Domestication”, held on 03.06.2021.

Sincerely,

Katja Nowick
